Dear Friends,

You know IIMC – Children Festival is a great Annual event for all our sponsored children. We all celebrate the event together with our all sponsor children, who are growing in a very poor and challenging situation, but with the children festival of IIMC – all children and their parents join together with cultural, social and celebrational gathering for 3 days.

This year we shall organize the Annual Children Festival on 9th, 10th & 11th January, 2009.

The programme will be inaugurated by His Excellency Mr. Roberto TOSCANO, the Ambassador of Italy, with other distinguished guests, on 9th January 2009 at 9.30 A.M. at our Outdoor Centre.

During this three days 2600 children will participate in different sports events, sit & draw, quiz, recitation competition and cultural programme. 600 children will be participating in the night camp.

You are cordially invited to join and participate as our special guest with all the children in this spectacular programme.

Hope to see you with us on 9th, 10th & 11th January, 2009.
